Size with frame: 41.75"W x 33.75"H

Sony 4K Action Camera

Take POV action movies to a new level with high-resolution 4K2. Capture stable images with balanced optical SteadyShot. Shoot anywhere with Action Cam real-world rugged design. The body is splashproof and freezeproof, and supplied underwater housing is dustproof, shockproof and waterproof to 60 m/197 ft.

Ninja® Mega Kitchen System

Multi-functional, with frozen blending, food processing, dough making and nutrient complete juicing capabilities. Includes 72oz. professional blender jar, 8 cup food processor bowl, and 2 professional single serve cups for blending and juicing. Dishwasher safe.

Diamond Pendant & Chain

A 17" long 14K white gold necklace with diamond pendant. TDW 0.25

Hybrid Laser Range Finder

The Hybrid is the world's first Golf Laser Rangefinder and GPS combo device with a fully integrated display featuring both laser and GPS distances. PinSeeker with JOLT provides the golfer with short vibrating pulses to give a tactile confirmation that the laser has locked onto the flag.

Dyson Hot & Cool Fan

The Dyson Hot + Cool fan provides fast even room heating and powerful personal cooling - now with jet focus control. Personal mode for long-range powerful heating and diffused mode to heat the room quickly and evenly.

3 Piece Luggage Set

A 3 piece nested luggage set featuring double wheels, top and side carry handles, multiple storage pockets, expandable capacity, flush mounted TSA combination locks and built-in ID tag. Comes in your choice of black, red or white.

Dyson Ball Multifloor

This Dyson vacuum is light weight and agile, without sacrificing suction power. The Radial Root Cyclone™ technology captures more dirt and allergens from you home. The self-adjusting cleaner head smoothly transitions across all floor types and the instant release wand cleans up high and under furniture.
