National Crime Prevention and Indigenous Policing Services

Message from the RCMP

With a large number of schools across the country having closed, parents and children are at home looking for meaningful activities to get involved in. This special edition of the *Fast Facts* outlines a number of lesson plans, activities and videos the RCMP has that can assist with that. Furthermore, we have outlined a number of external resources that we feel can also be beneficial tools.

Stay safe and stay healthy! #FlattenTheCurve
