TO ALL EMPLOYEES

This letter is sent to all staff to express sincere appreciation for your dedication, commitment, and patience as we all do our part to slow down the spread of COVID-19. This experience is new territory for all of us, and information changes rapidly, but we will continue to make every effort to keep you informed about the measures Frontier School Division is taking.

To the best of our abilities, we want to ensure that our students' education continues and that all supports in sustaining the work of the Division are maintained. Frontier School Division remains committed to ensuring, as much as practically possible, the on-going assignment of meaningful work for each Division employee.

Just as the Province of Manitoba has declared a State of Emergency in response to the COVID-19 pandemic, many of our First Nation and community partners have also declared a State of Emergency in their local jurisdictions.

The Division expects that all employees living in Frontier communities will adhere to and respect the guidelines and directives given by local councils and municipal governments with regards to travel in and out of the community, as well as expectations pertaining to self-isolation and social distancing practices within the community. Each of you, as a member of a community and the Frontier Family, has the opportunity to provide leadership by complying fully with these expectations during this challenging time.

Many of you have specialized skills and abilities that are needed in order to keep your communities functioning safely, and you may be asked to help. Frontier School Division is committed to supporting all of our communities, and, as such, we fully support your service to your community.

It is my hope that when this pandemic is in recession, and we reflect on the measures that were taken, our communities will be able to say that they were better served as a result of the helping hand Frontier employees provided during the crisis.

Once again, please accept my sincere thanks to everyone for your continued understanding and support during this unprecedented time.

Sincerely,

Reg Klassen
Chief Superintendent
