

Frontier School Division encompasses many remote areas where accommodation may not be available for teachers. In these circumstances, the Division provides accommodation for teachers. Such accommodation may be owned by the Division or rented from the community by the Division.

Accommodation is provided and maintained by the Division in accordance with the Residential Tenancy Act and the Frontier School Division lease agreement.

Frontier School Division’s housing program is based on the following:

1. Tenancy is covered by a standard Residential Tenancy Agreement provided by the Division.
2. The Frontier School Division Housing Information Handbook outlines rental procedures and occupancy requirements.
3. Rental rate increases for housing will be in accordance with provincial rental guidelines.
4. Allocation of accommodation is the responsibility of the Area Superintendent.
5. Where circumstances warrant, and were approved by the Chief Superintendent, accommodation may be provided for support staff.
6. Any policy changes regarding housing will be made in accordance with the current collective agreement.
