

The health and wellness of students is a priority for Frontier School Division. Therefore, there shall be no smoking of any legal or illegal substance, including tobacco and cannabis, use of electronic vapourizer devices or any other vapour device by students at any time on Frontier School Division property. Division property includes all school buildings, grounds, parking lots and Division vehicles.

Students who smoke will be encouraged and assisted to stop smoking through proactive programs and resources provided by the Division.

Students are subject to disciplinary action and/or penalties if this policy is violated.
