

**PLEASE POST**

## **Home Placement Fall Registration**

2024-2025 School Year

Regular Placement Deadline – Wednesday, May 15

Special Placement (Technical Vocational) Deadline - Monday, April 15

---

Parents may contact their local school principal or counsellor for the application forms. Please submit your completed application forms to the Governance Support Officer in your area before the deadline.

The following criteria determine a student's eligibility for admission:

- **1. Regular Placement** – The grade level is not available in the local school or daily transportation to a nearby school is not available. **The deadline for applications is Wednesday, May 15.**
- Parents/legal guardians of students must be current residents of Frontier School Division.
- Provincially funded students or treaty students living off-reserve are eligible for home placement.
- Recent school history (attendance, number of credits achieved, and previous school and home placement record) is reviewed.
- **2. Special Placement** – A program of studies (technical vocational) is not available in the local community or by daily transportation for Frontier students living on provincial land. Students must take 8 to 14 credits in this specialized field. In communities with high schools, Frontier School Division will fund students who enter the program in Grade 11. Exceptions shall be made for programs that require students to meet Level 1 apprenticeship requirements and students may apply in their Grade 10 year.

Parents/legal guardians must submit in writing a letter to the area superintendent requesting home placement for their child for a special program. Letters of support must also be received from the superintendent, principal, and school committee in advance. **The deadline for requesting Home Placement sponsorship for technical vocational programs is Monday, April 15.**

- **3. Exceptional circumstances** (requires superintendent's, principal's, and school committee's approval in writing with the application form). The Schools' Finance Branch determines whether the circumstances meet the criteria.
